

Life Under Water

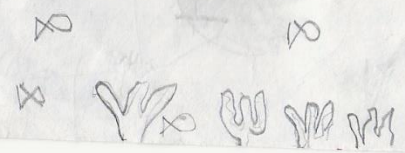

What is the
PROBLEM!

our oceans are
polluted.
We use too much
Plastic. Too much
Plastic is in the
sea

Protect our seas

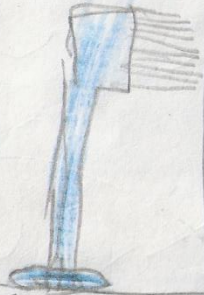

450y
Bottle

500y
Nappy

500y
toothbrush

500y
Coffee pad

Straw
200y

bag
200y

How many years to
decompose.

What can we do?

1 Beach cleans

2 Use less

plastic

3 recycle

4 only eat fish

caught in a good way
